ENVISION LOS ANGELES

Envision Los Angeles, located in southern LA, ministers through the local church to impact the surrounding communities where 35% of the population lives below the poverty line.

Envision LA builds relationships through compassion ministries such as a clothing and food bank, a dental and health clinic, mobile crisis pregnancy center, literacy classes, and tutoring. They reach into their community through church planting, VBS, barbecues, festivals, house repair, yard care, and special events. We raise up leaders through prayer, discipleship, Bible study, and the Powerhouse Leadership Institute (PHLI.)
